19. Question Generator  
This tool helps English teachers convert a scanned passage into a ready-to-use HKDSE-style assessment.

## Teacher Manual

20. Upload clear images of the passage, choose the number of questions and difficulty, and we will:

- Use OCR to extract the passage text accurately
- Preserve the original topic and passage as provided
- Create new HKDSE-style questions (MC, fill-in-the-blanks, short answer, reference)
- Export the full assessment as a PDF

The screenshot displays the LATTE interface for creating an assessment. It is divided into three numbered steps:

- 1 Upload image for passage scanning:** A large dashed box contains a camera icon and the text "Click to upload or drag and drop" and "JPG, PNG, GIF or WebP (Max 4 files, 10MB each)".
- 2 Number of questions:** A horizontal slider is shown with a blue bar and a white knob. The value "10" is displayed in a blue box on the right. Below the slider, it indicates "Min: 1" and "Max: 20".
- 3 Difficulty level:** Three buttons are visible: "Easy" (green with a checkmark), "Medium" (yellow with a lightning bolt), and "Hard" (red with a triangle). A "Generate" button is located at the bottom.
